

NOTICE TO PUBLIC: INSPECTION OF VEHICLE

11709.1. Every dealer who displays or offers one or more used vehicles for sale at retail shall post a notice not less than 8 inches high and 10 inches wide, in a place conspicuous to the public, which states the following:

“The prospective purchaser of a vehicle may, at his or her own expense and with the approval of the dealer, have the vehicle inspected by an independent third party either on or off these premises.”

NOTICE TO PUBLIC: CONTRACT CANCELLATION OPTION

11709.2. Every dealer shall conspicuously display a notice, not less than eight inches high and 10 inches wide, in each sales office and sales cubicle of a dealer’s established place of business where written terms of specific sale or lease transactions are discussed with prospective purchasers or lessees, and in each room of a dealer’s established place of business where sale and lease contracts are regularly executed, which states the following:

“THERE IS NO COOLING-OFF PERIOD **UNLESS YOU OBTAIN A CONTRACT CANCELLATION OPTION**”

California law does not provide for a “cooling-off” or other cancellation period for vehicle lease or purchase contracts. Therefore, you cannot later cancel such a contract simply because you change your mind, decide the vehicle costs too much, or wish you had acquired a different vehicle. After you sign a motor vehicle purchase or lease contract, it may only be canceled with the agreement of the seller or lessor or for legal cause, such as fraud.”

However, California law does require a seller to offer a 2-day contract cancellation option on used vehicles with a purchase price of less than \$40,000, subject to certain statutory conditions. This contract cancellation option requirement does not apply to the sale of a motorcycle or an off-highway motor vehicle subject to identification under California law. See the vehicle contract cancellation option agreement for details.”

ADVERTISING REQUIREMENTS: VEHICLES FOR SALE

11709.3. (a) Every dealer shall clearly and conspicuously display in its showroom at its established place of business, in a place that is easily accessible to prospective purchasers, a clear and conspicuous listing of each vehicle that the dealer has advertised for sale if the vehicle meets all of the following requirements:

- (1) The vehicle is advertised for sale in a newspaper or other publication of general circulation, or in any other advertising medium that is disseminated to the public generally, including, but not limited to, radio, television, or the Internet.
- (2) The vehicle is advertised at a specific price and is required pursuant to subdivision (a) of Section 11713.1 to be identified in the advertisement by its vehicle identification number or license number.
- (3) The vehicle has not been sold or leased during the time that the advertised price is valid.
- (4) The vehicle does not clearly and conspicuously have displayed on or in it the advertised price.

(b) The listing required by subdivision (a) may be satisfied by clearly and conspicuously posting in the showroom a complete copy of any print advertisement that includes vehicles currently advertised for sale or by clearly and conspicuously displaying in the showroom a list of currently advertised vehicles described by make, model, model-year, vehicle identification number, or license number, and the advertised price.
